

## The “must have” resource for every church leader

As a busy church leader, I wanted to bring your attention to a resource that could compliment your ministry in a number of ways.

The Jonas Centre is a low-cost holiday and conference venue that provides accommodation and resources to individuals, families and groups in a peaceful and tranquil setting to get away from the strains and stresses of everyday life.

Our website ([www.jonascentre.org](http://www.jonascentre.org)) can provide full details of all that we offer but here is a summary of how you as a church leader might use our facilities:

- Affordable retreat opportunities for you and your leadership and staff team
- Great value weekends away as a church or in smaller groups
- Youth group getaways
- Men’s and ladies’ retreat weekends
- Family celebrations e.g. birthdays or anniversaries
- Low cost furlough opportunities for your mission links
- Subsidised holidays for families you know in hardship or crisis

Alternatively if none of the above is possible, are you looking for a new mission partner that you could support financially or through prayer? We would love to partner with new churches so that the work we do becomes better known in the north of England.

If you would like to know more about how we might become partners in ministry, please get in touch. Alternatively call in and see The Jonas Centre for yourself.

Thanks in anticipation.

Simon Eastwood.
